

LOOKING FOR A RELATIVE?

COULD A FAMILY MEMBER BE LOOKING FOR YOU?

...Separated by adoption, ADOPTEE / BIRTHPARENT?

- Do you wonder...about your origins, talents, health concerns, nationality, other questions?
 - The family member with the answers may be looking for you!
 - If you are related by birth, the **ISRR** (International Soundex Reunion Registry), a **FREE** non-profit service, may help you find each other!

You don't have to search, pay, or be online.
You don't even need to know names! (You do need to be 18.)
BUT both parties must register for this to work.
SO...the more who register, the more matches will be made.
