Editorial Contact: Melissa Barrigar (520) 207-2145

Saturday, October 2nd is International RegDay (rejj-day), the annual event that brings adoptees, birth parents and adoptive families together at sites around Arizona. Over 100,000 Arizonans are adopted. At least as many more are part of an adoptive family, or relinquished a child to adoption. Many of those touched by adoption have questions, or are searching for information. RegDay is a time when anyone touched by adoption can get information about the International Soundex Reunion Registry. Volunteers are on hand at each site to answer questions and assist interested adults to register with the WORLD'S largest and most successful free adoption reunion service.

To find a RegDay site near you, or for more information about post-adoption issues, please visit the RegDay web site: www.regday.org and the Arizona Open web site, host to RegDay in Arizona: <http://home.comcast.net/~arizonaopen> To learn more about the International Soundex Reunion Registry, visit www.isrr.net or call 775-882-7755.
